

K-Love is a very important part of my life as a resident of this community. It is the only FM station that I can get in this area that is totally Christian Music without outside influences. I support this station because it is an important part to my life. I listen to it on the way to and from work and its inspirational music has a big part of my Christian daily life. These new LPFM stations could possible push out this current station in my area and in many other areas. If this were to happen I and many others may no longer be able to receive this station. We the public have a right to be able to continue to receive this station as it is and in the fashion we have in the past. It is not right to allow a new LPFM station to replace the spot that the current K-Love station has on the FM stations. This station is a family friendly station without profanity, violence, and other immoral issues that are so prominate on other stations. Please dont let them take this service from us. Thank you in advance for your help in this matter. Sincerely,
Connie Briscoe
